

Partner Programme

About Us

ExpenseIn began with a clear vision; to revolutionise the inefficient paper-based expense management processes that were holding businesses back.

Since then, our team of chartered accountants and software development experts have taken this idea and engineered it into a powerfully streamlined solution.

Our Values

Our underlying values guide our team, product development and our business.

Simplicity over everything else

Innovation in everything we do

Listening to our customers

We operate transparency

Adding real business value

Building a dream team
